ABOUT ME

Mening ismim Sherzod, 20 yoshdaman. 2 yildan beri dasturlash sohasidaman. 1 yil o'zim o'rganganman. Yana 1 yil Najot talim o'quv markazida o'qidim. Maktab paytlarida dasturlashga qiziqishim boshlangan. Oliy talimda o'qimaganman, bor etiborimni dasturlashga qaratganman. Dasturchi uchun Oliy talim kerak emas deb hisoblayman, kuchli qiziqishni o'zi yetarli!
